

Supervision Agreement

between

..... (doctoral candidate)

..... (supervisor)

..... (co-supervisor)

on scientific support and continuous supervision throughout the development of a doctoral thesis with the working title

.....

.....

.....

- 1) Supervision and structured doctorate
 - a) The supervisor provides the doctoral candidate with a workspace and the necessary work equipment to the extent possible for at least three years.
 - b) The doctoral candidate undertakes to effectively use the provided work equipment.
 - c) The persons involved frequently talk about the work progress. In particular, the doctoral candidate has to report to the supervisor yearly.
 - d) The supervision agreement is independent of the existence of an employment relationship with Ruhr-Universität Bochum or any other doctorate financing.

- 2) Good scientific practice in research and support of young talents
 - a) The doctoral candidate and the supervisor undertake to follow the guidelines of good scientific practice of Ruhr-Universität Bochum.
 - b) The supervisors and the faculty promote the doctoral candidate's scientific independence as far as possible.

- 3) If the supervisory relationship is cancelled, this has to be reported to the PhD Committee immediately.

A selection interview has taken place (§3 subs. 1 PromO 2011)
