

Supervision Agreement

between

.....
(Doctoral candidate)

.....
(Supervisor)

.....
(Co-supervisor)

for scientific support and continuous supervision in the preparation of a doctoral thesis with the working title

.....
.....
.....

- 1) Supervision and structured doctorate
 - a) The supervisor provides the doctoral candidate with a workspace and the necessary work equipment within the scope of possibilities for the duration of at least three years.
 - b) The doctoral candidate commits to make effective use of the working facilities provided.
 - c) The parties involved shall regularly exchange information on the progress of the work. In particular, an annual report is to be submitted to the supervisors.
 - d) The supervisory relationship is independent of whether there is an employment relationship with the Ruhr-Universität Bochum or other doctoral funding.

- 2) Good scientific practice in research and support of young scientists
 - a) The doctoral candidate and the supervisor commit to follow the guidelines of good scientific practice of the Ruhr-Universität Bochum.
 - b) The supervisors and the faculty promote the scientific independence of the doctoral student within the scope of their possibilities.

- 3) The PhD committee must be notified immediately of any termination of the supervisory relationship.

A selection interview has taken place (§7 subs. 8 PromO 2023)
